Suture Expressions

SutureExpress
Turns 10!

That's right! SE is now into the double digits as we celebrate another year older and another year wiser! It was on Feb. 11, 1998 that Joe Robinson, Hank Miller, Jim Vaughn & Dennis Jordan shook hands and officially invested & agreed to start Suture Express. Boy are we glad they did! Now SE can boast of being the #1 specialty distributor of wound closure products in the US!

A PERFECT TEN!

Upcoming Events

The following are just a few of the professional trade shows that Suture Express will be attending. Don't forget to stop by and say Hello!

- FAH March 2
- SMI May 1
- FASA May 14

Do you have a meeting you think we should know about? Let us know! Email the Sales & Mktg Dept at:

info@sutureexpress.com

SE Launches New Website

Well the wait was definitely worth it! After nearly a year of planning and focus our new interactive web site has launched! Now our customers can log on to place orders, check history, look up product information and get their own personal contracted prices on over 10,000 products we stock on our shelves. Know someone not getting a "Complete Order Tomorrow"? Send them to the SE website and they can get signed up in minutes. Heck, we even take credit cards!

Queen of Alt Site Crowned in Lenexa Galvin to concentrate on Account Development

Summer Turner has assumed the national role of Non-Acute Sales for SE. Summer led the charge in the East Division in 2007 growing the non-acute business over 34%. Now let's see what she can do with the entire country! Contact Summer for any facilities in the Non-Acute segment needing help with their wound closure needs.

Charlie Galvin, PO, will be shifting gears over into the account development arena. Charlie will be focusing his talents with our current customer base as we expand our product lines in a joint effort with marketing and sales dept. personnel. Need additional product pricing or help? Contact Charlie at
